INVITATION FOR BID
PROJECT NO. IFB 22-35
RENOVATIONS OF DESIGNATED FOOD SERVICE AREAS AT VARIOUS HCC CAMPUSES
QUESTIONS AND ANSWERS No. 1

Date: January 31, 2022

To: Prospective Bidders

From: Procurement Operations Department, Houston Community College

Subject: Questions and Answers Responses

- Q1. Item 26 on page 19 of the IFB states that our bids remain valid for a "minimum" of 180 days. It was stated in the pre bid meeting that the recommendation would go to the board in April which would be 70 days from the bid date, so the contractor would be notified some time before that. In today's climate subcontractors are only holding their bids for 30 days in light of numerous material cost increases so we would like to request a validity period of 30 days.

Response: HCC will revise accordingly; bids shall remain valid for a "minimum" of 90 days.

When issued, "Questions & Answers" shall automatically become a part of the solicitation documents and shall supersede any previous specification(s) and/or provision(s) in conflict with the Questions & Answers. All revisions, responses, and answers incorporated into the Questions & Answers are collaboratively from both the Procurement Operations and the applicable HCC Department(s). It is the responsibility of the bidder/respondent to ensure that it has obtained all such letter(s). By submitting a bid on this project, bidders/respondents shall be deemed to have received all Questions & Answers and to have incorporated them into this solicitation and resulting proposal response.

Furthermore, it is the responsibility of each Contractor to obtain any previous Questions & Answers associated with this solicitation.
