14. Small Business Development Program (SBDP):

The Houston Community College System's Small Business Development Program ("SBDP" or the "Program") was created to provide business opportunities for local small businesses to participate in contracting and procurement at Houston Community College (HCC).

The SBDP is a goal-oriented program, requiring Contractors who receive Contracts from HCC to use Good Faith Efforts to utilize certified small businesses. The Program applies to all Contracts over \$50,000, except Contracts for sole-source items, federally funded Contracts, Contracts with other governmental entities, and those Contracts that are otherwise prohibited by applicable law or expressly exempted by HCC. The SBDP is a race and gender-neutral program, however HCC actively encourages the participation of minority and women-owned small businesses in the SBDP.

To participate, small businesses must be certified by an agency or organization whose certification is recognized by HCC. Certification is based on the firm's gross revenues or number of employees averaged over the past three years, inclusive of any affiliates as defined by 13 C.F.R. § 121.103, does not exceed the size standards as defined pursuant to Section 3 of the Small Business Act and 13 C.F.R. § 121.201.

HCC recognizes certification by the following governmental and private agencies: Metropolitan Transit Authority of Harris County (METRO) SBE Certification, City of Houston SBE, MWPDBE and DBE Certifications, Texas Department of Transportation SBE Certification, City of Austin SBE Certification, South Central Texas Regional Certification Agency SBE Certification, Small Business Administration 8(a). HCC has the right to revoke acceptance of a business as a certified or qualifying small business and to conduct certification reviews. For more information regarding SBE Certifications go to <http://www.hccs.edu/about-hcc/procurement/small-business-procurement/>.

Good Faith Efforts: HCC will make a good faith effort to utilize small businesses in all contracts. The annual program goals may be met by contracting directly with small businesses or indirectly through subcontracting

opportunities. Therefore, any business that contracts with HCC will be required to make a good faith effort to award subcontracts to small businesses. The subcontracting goal applies to all vendors regardless of their status. By implementing the following procedures, a contractor shall be presumed to have made a good faith effort:

- a. To the extent consistent with industry practices, divide the contract work into reasonable lots.
- b. Give notice to SBDP eligible firms of subcontract opportunities or post notices of such opportunities in newspapers and other circulars.
- c. Document reasons for rejecting a firm that bids on subcontracting opportunities.

- b. Certified small business prime contractor that meets the SBE Bonus Points subcontracting commitment using a certified small business subcontractor – automatically eligible for maximum available SBE Bonus Points. - 11.13 Immunity. Nothing in this Agreement waives or alters any immunities provided College, its officers, employees, or agents under Texas or federal law.
- 11.14 Third Parties. Nothing in this Agreement shall be deemed or construed to create any third party beneficiaries or otherwise give any third party any claim or right of action against any party to this Agreement.
- 11.15 Severability. Unless the basis of the bargain among the parties hereto is destroyed or rendered ineffective by invalidity or unenforceability of any provision hereof, if any provision of this Agreement should be held to be void, voidable or unenforceable in any respect, then the remaining portions of this Agreement shall remain in full force and effect.
- 11.16 Counterparts. This Agreement may be executed in multiple counterparts, each of which when so executed shall be deemed to be an original copy, and all of which together shall constitute one agreement, binding on all parties hereto, notwithstanding that all parties shall not have signed the same counterpart.
- 11.17 Electronic counterparts. This Agreement may be executed in multiple counterparties, each of which shall be deemed an original, and all of which when taken together shall constitute one and the same instrument. A signed counterpart of this Agreement transmitted by telecopier, facsimile, or as a .pdf, .jpeg, .TIFF or other electronic format as an attachment to an electronic transmission shall also be deemed an original and effective for all purposes.
- 11.18 Certifications Regarding Terrorist Organizations and Boycott of Israel. Contractor hereby certifies that it is not a company identified on the Texas Comptroller's list of companies known to have contracts with, or provide supplies or services to, a foreign organization designated as a Foreign Terrorist Organization by the U.S. Secretary of State under federal law.

Contractor hereby certifies and verifies that neither Contractor, nor any affiliate, subsidiary, or parent company of Contractor, if any (the "Contractor Companies"), boycotts Israel, and contractor agrees that Contractor and Contractor Companies will not boycott Israel during the term of this Agreement. For purposes of this Agreement, the term "boycott" shall mean and include terminating business activities or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory.

- 11.19 Access by Individuals with Disabilities. To the extent applicable, Contractor represents and warrants (the "EIR Accessibility Warranty") that the electronic and information resources and all associated information, documentation, and support that it provides to College under this Agreement (collectively, the "EIRs") comply with the applicable requirements set forth in Title 1, Chapter 213 of the *Texas Administrative Code* and Title 1, Chapter 206, Rule §206.70 of the *Texas Administrative Code* (as authorized by Chapter 2054, Subchapter M of the *Texas Government Code*.) To the extent Contractor becomes aware that the EIRs, or any portion thereof, do not comply with the EIR Accessibility Warranty, then Contractor represents and warrants that it will, at no cost to College, either (1) perform all necessary remediation to make the EIRs satisfy the EIR Accessibility Warranty or (2) replace the EIRs with new EIRs that satisfy the EIR Accessibility Warranty. In the event that Contractor fails or is unable to do so, then College may terminate this Agreement and Contractor will refund to College all amounts College has paid under this Agreement within thirty (30) days after the termination date.
- 11.20 Confidential Student Information. "Confidential Student Information" is defined as information that is personally identifiable to a student who is or was enrolled at College by any of the following means: the student's name, the name of the student's parent or other family members; the address of the student or student's family; a personal identifier, such as an identification number, or biometric record; other indirect identifiers, including but not limited to the student's date of birth, place of birth, and mother's maiden

name; or any other information that, alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the school community to identify the student with reasonable certainty and includes information supplied to Contractor by College as well as any information provided by College's students and third parties to the Contractor.

To the extent applicable, Contractor acknowledges that this Agreement allows the Contractor access to Confidential Student Information, and that access to and disclosure of Confidential Student Information is restricted by College policy and federal law, namely the Family Educational Rights and Privacy Act ("FERPA").

Contractor agrees to hold Confidential Student Information in strict confidence. Contractor will not use or disclose Confidential Student Information received from or on behalf of College (or its students) except as permitted or required by this Agreement, as required by law, or as otherwise authorized in writing by College. Contractor agrees not to use Confidential Student Information for any purpose other than the purpose for which the disclosure was made. Contractor agrees that only Contractor's employees who have a legitimate business need in performing this Agreement will have access to the Confidential Student Information.

Upon termination, cancellation, expiration or other conclusion of the Agreement, Contractor will return all Confidential Student Information to College within thirty (30) days or, if return is not feasible, destroy any and all Confidential Student Information. Twenty (20) days before destruction of any Confidential Student Information, Contractor will provide College with written notice of Contractor's intent to destroy Confidential Student Information. Within seven (7) days after destruction, Contractor will confirm to College in writing the destruction of Confidential Student Information.

Contractor agrees that Contractor is under the direct control of College with respect to the use and maintenance of Confidential Student Information. If College reasonably determines in good faith that Contractor has materially breached any of its confidentiality obligations under this Agreement or has violated FERPA, College, in its sole discretion, will have the right to require Contractor to submit to a plan of monitoring and reporting; provide Contractor with a fifteen (15) day period to cure the breach; or terminate the Agreement immediately. Before exercising any of these options, College will provide written notice to Contractor describing the violation and the action it intends to take. If the Family Policy Compliance Office of the U.S. Department of Education determines that the Contractor improperly disclosed personally identifiable information obtained from College's education records, College may not allow the Contractor access to education records for at least five years.

Contractor will develop, implement, maintain and use appropriate administrative, technical and physical security measures to preserve the confidentiality, integrity and availability of all electronically maintained or transmitted Confidential Student Information received from, or on behalf of College or its students. These measures will be extended by contract to all subcontractors used by Contractor.

Contractor will, within one day of discovery, report to College any use or disclosure of Confidential Student Information not authorized by this Agreement or in writing by College. Contractor's report will identify: (i) the nature of the unauthorized use or disclosure, (ii) the Confidential Student Information used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what Contractor has done or will do to mitigate any deleterious effect of the unauthorized use or disclosure, and (v) what corrective action Contractor has taken or will take to prevent future similar unauthorized use or disclosure. Contractor will provide such other information, including a written report, as reasonably requested by College.

Contractor will defend and hold College harmless from all claims, liabilities, damages, or judgments involving a third party, including College's costs and attorney fees, which arise as a result of Contractor's failure to meet or breach any of its obligations under this Agreement.

The restrictions and obligations under this Section will survive expiration or termination of this Agreement for any reason.

11.21 Mediation. The parties agree that any and all claims, controversies of disputes between the parties which arise out of or relate in any way to this Agreement or a breach hereof and which the parties are unable to resolve informally shall be submitted to non-binding mediation. Further, the parties agree that (i) neither the execution of this Agreement by the College/HCC nor any other conduct, action or inaction of any representative of the College/HCC relating to this Agreement constitutes or is intended to constitute a waiver of the College's/HCC's of sovereign immunity to suit; and (ii) the College/HCC has not waived its right to seek redress in the courts.

This assurance applies to the grant applicant's operation of the WIOA Title I-financially assisted program or activity, and to all agreements the grant applicant makes to carry out the WIOA Title I-financially assisted program or activity. A signed counterpart of this Agreement transmitted by telecopies, facsimile, or as a .pdf, .jpeg, .TIFF or other electronic format as an attachment to an electronic transmission shall also be deemed an original and effective for all purposes.
